Footwear:

The safest footwear for camp is a sneaker or a closed toe shoe. Camp is full of rocks and roots and the sneaker offers the most support for this terrain. Sneakers MUST be worn for all sporting activities. Tevas, sandals, crocs, flip flops and/or sandals are allowed but not the most ideal shoe for walking around camp. However, these water friendly shoes, must be worn to all waterfront activities and should be limited to water activities.

*****MAKE SURE ALL ITEMS ARE LABELED WITH NAME OF CAMPER!!!*****
